Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for replacing Martin County's Emergency Operations Center uninterruptable power supply in fiscal year 2023. The entity to receive funding for this project is Martin County, located at 2401 SE Monterey Road, Stuart, FL 34996. Allocating this funding will replace a 14-year-old building-wide uninterruptable power supply that can no longer be serviced to ensure continuous electrical power to the County Emergency Operations Center. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brian Mast
Member of Congress
